

SIGNIFICANT ENOLOGY PUBLICATIONS

Frank J. Gadek

Please note that there are also other numerous publications **outside** of enology. A list can be provided upon request.

1990

Frank. J. Gadek, "Short Communication Results of Additional Sensory Analyses for the Investigation of Deacidification Methods and Carbonic Maceration of Aged French Hybrid Wines," Journal of Wine Research, **2** (1), 37-41 (1991).

1986

Frank J. Gadek, "Technical Brief: Survey of Microcomputer Use in Small Eastern Wineries," Am. J. Enol. Vitic., **37**, 228-230 (1986).

1982

Frank J. Gadek, "Enology (winemaking) Research: An Unusual, Attractive Senior Research Topic," J. Chem. Ed., **59** (8), 654-655 (1982).

1980

F. J. Gadek, F. Diamond, M. Hearney, M. McMullin, M. A. Szvetecz, and F. P. Verano, III, "Research Note Preliminary Investigation of Deacidification Methods and Carbonic Maceration of French Hybrid Wines," Am. J. Enol. Vitic., **31**, 90-94 (1980).

Frank J. Gadek, "The Science of Enology: An Unusual Laboratory Course," Journal of College Science Teaching, **9**, 206-211 (1980).
